OUR RANGE

Find exactly what you're looking for in our collections

Each of our collections specialise in specific window dressings to make sure you can find exactly what you need for your home.

AQUARIUS

Rollers, Verticals, Pleated, Romans and Curtains are within our Aquarius range – you'll be sure to find plenty of gorgeous plains and textures, contemporary prints and classic weaves to add to your home. We've even got eco-friendly fabrics made from up to 100% recycled plastic bottles for a more conscious choice.

DUAL SHADE

Get ultimate light control with Dual Shade Roller blinds. They offer a unique stripe design that combines sheer and opaque fabrics, giving a great eye-catching effect whilst perfectly filtering the light.

INFUSION

Our range of Faux Wood Venetians have all the benefits of hard-wearing PVC whilst providing a natural wood look. Easy to clean and moisture-resistant, these are perfect for bathrooms and kitchens.

THE ORCHARD COLLECTION

This real Wood Venetian collection is renewably sourced from sustainable forests and offers beautiful wood slats in both natural and painted finishes, making them a staple window dressing that suits both current décor trends and traditional styles.

PERFECTFIT®

Available in Rollers, Metal Venetians and Pleated fabrics, PerfectFit® blinds sit in a frame that fits perfectly to your window, without any drilling or screws. The cordless operation makes them inherently child safe.

BLOC®

BLOC® blinds are our range of skylight blinds that are compatible with all major skylight brands. Easy to open and close, BLOC® blinds are available in a wide range of Roller blind fabrics, including blackout options.

SANDRINGHAM

Looking to create a real statement? Sandringham Shutters are sure to put the wow factor into any living space. Made-to-order, and with styles and finishes to suit any window, taste or budget, there's something for every home.

ROOM TYPES

BATHROOM

Bathrooms don't just need to be functional, they can be brilliantly inviting spaces for you to relax and unwind in.

ROLLERS

We have sheer Rollers for added privacy to frosted windows and moisture-resistant fabrics for splash proofing.

KITCHEN

Practicality may be the most important factor for your kitchen window dressings, but that doesn't mean you can't make them stylish. The kitchen is often the heart of the home so combining style with practical window dressings is key.

ROLLERS

Wipe clean, flame-retardant and moisture-resistant options make Rollers the perfect choice for this room.

DUAL SHADE

Control light and privacy at your windows – great for kitchens that have a street view.

VERTICALS

The ideal solution for kitchen extensions with large glass windows, bi-fold or sliding doors.

LIVING ROOM

Create a living room you can't wait to come home to! Window dressings are the perfect finishing touch, and our range of specialist collections can help you add style and solutions to your living spaces.

SHUTTERS

Shutters can help reduce noise, help insulate the home and can be designed to work with all types of windows. They give your living room a statement piece for years to come.

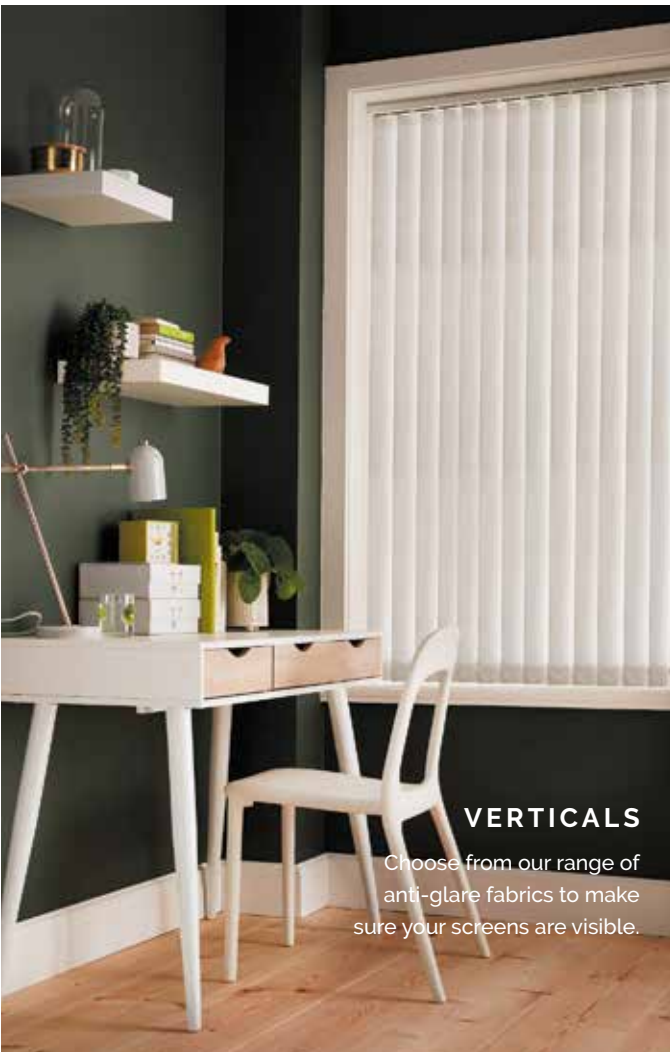

ROMANS

Add instant luxury to your windows with beautiful Roman blinds. There's plenty of plains or patterns to give an uplift to your windows. Add interlining to lock in the warmth during the winter months.

HOME OFFICE

Whether it's make-shift or a completely renovated room, you'll want to make sure your working from home office is sufficiently designed to help boost your productivity – and our range of blinds can help do just that.

VERTICALS

Choose from our range of anti-glare fabrics to make sure your screens are visible.

SHEER ROLLERS

Natural light boosts energy, creativity and productivity, making sheer Rollers a great choice to help diffuse light whilst maintaining privacy.

BEDROOM

Your bedroom should be your private, safe haven. And what better way to make it that than with a beautiful window dressing? Bedrooms are a great place to express your style and taste, and statement blinds or curtains that give that perfectly finished look.

SHUTTERS

Help your sleep go undisturbed with Shutters – a great option for bedrooms that helps to block out light and also reduces noise from outside.

CURTAINS & ROMANS

Wrap your windows in luxurious Curtains and Romans. Curtains bring an extra layer of cosiness and warmth to a space and can be paired with Romans, Rollers or Verticals for a beautifully decorative look.

PLEATED

A Day & Night Transition™ Pleated blind offers you the night-time benefits of blackout fabric, while also helping you make the most of the sunlight throughout the day.

CHILDREN'S BEDROOM

Children's bedrooms are a great place to get really creative and inject bold colour and pattern – but more importantly we want to provide child safe options for your windows.

PERFECTFIT® BLINDS

Fuss-free and streamlined, PerfectFit® blinds sit neatly into the window frame. The tabbed operation makes them inherently child safe – the perfect choice for children's bedrooms.

ROMANS

Ensure your little ones' routines aren't disturbed by the changing seasons by opting for a blackout lined Roman blind.

ROLLERS

Our huge Roller blind range has a stunning mix of sheer, blackout, plain, printed and woven fabrics for you to choose from.

Whether it's for functionality or to add a simple decorative element to your décor, there are hundreds of fabrics to choose from, so you're sure to find a style to suit you.

There's a choice of specialist fabrics which includes wipe-clean, moisture-resistant, blackout and flame retardant, so your blinds can work harder than ever in your home. You can also make sure your window dressings are more eco-friendly with our range of fabrics that are manufactured from 100% recycled plastic bottles.

VERTICALS

There's a huge range of textures, colours and contemporary designs within our Vertical blinds range that can be incorporated into any living space, giving a stylish look. Our high quality fabrics can help control light, reduce glare and are adaptable to different types of windows – including large glass windows, bi-fold doors and even sloped windows.

We have a range of recycled Vertical blinds fabrics for a more eco-friendly choice

STYLE TIP

Verticals can be fitted with chainless weights making them more child and pet friendly.

CURTAINS & ROMANS

A timeless window dressing that gives rooms that finished look. Whether you're looking for simple, bold and bright, or patterned, Curtains instantly inject colour and cosiness to create the perfect accessory for your window.

Available in six heading styles to accommodate contemporary or traditional window types, choose from eyelets, classic pinch or pencil pleats or the simply elegant wave header. Curtains are a great way to layer other window dressings such as Verticals, Rollers or Venetians to really lock in that warmth and add extra privacy.

STYLE TIP

Give your Curtains a bespoke look with matching or contrasting tie backs, poles and tracks.

STYLE TIP

We can complement all our Roman blinds with matching cushion covers.

Roman blinds are a great way of adding a warm and welcoming look to your home – a real designer look window dressing that give an impression of style and elegance. Romans are lined as standard for a high quality finish, and we have specialist linings available to help retain warmth and block out light.

Our eco-friendly fabrics are made from up to 100% recycled plastic bottles

WILD

Explore your wild side with our capsule collection of fashion forward fabrics, inspired by an urban jungle aesthetic. Introducing a striking collection of Curtain, Roman, Roller and Vertical fabrics, WILD allows you to express yourself with bold animal prints, tessellating abstract patterns and aztec inspired designs.

Key colour focuses of this collection include audacious greens, coral clays and deep greys, complimented by softer taupe, navy and stone for a more subtle approach to this look whilst allowing for daring combinations.

VENETIANS

WOOD VENETIANS

A timeless classic that's always stylish and practical, Wood Venetians are lightweight and durable, and great for ultimate light and privacy control. Natural wood colours can create a warm and welcoming feel whilst our painted range gives a more modern feel. All our Wood Venetian blinds are made from trees grown in sustainable forests.

STYLE TIP

Personalise the finished look with coloured and patterned tapes.

FAUX WOOD VENETIANS

Our Faux Wood Venetian blinds range offers the beautiful look of real wood with all the benefits of PVC - they are a stylish and practical solution for all interior styles.

Incredibly hard-wearing, they are great for any room but particularly perfect for kitchens and bathrooms. Made from the highest quality materials to your specifications these blinds are a sure-fire winner.

METAL VENETIANS

Metal Venetians, also known as Aluminium Venetians, are a popular choice for all rooms due to their versatility and practical features. Make a statement with our bold and vibrant colours, or create an ageless window masterpiece with softer and natural tones.

STYLE TIP

Metal Venetians are available in a PerfectFit® frame that fit into uPVC windows – so you can have a streamlined finish at your window with no drilling required.

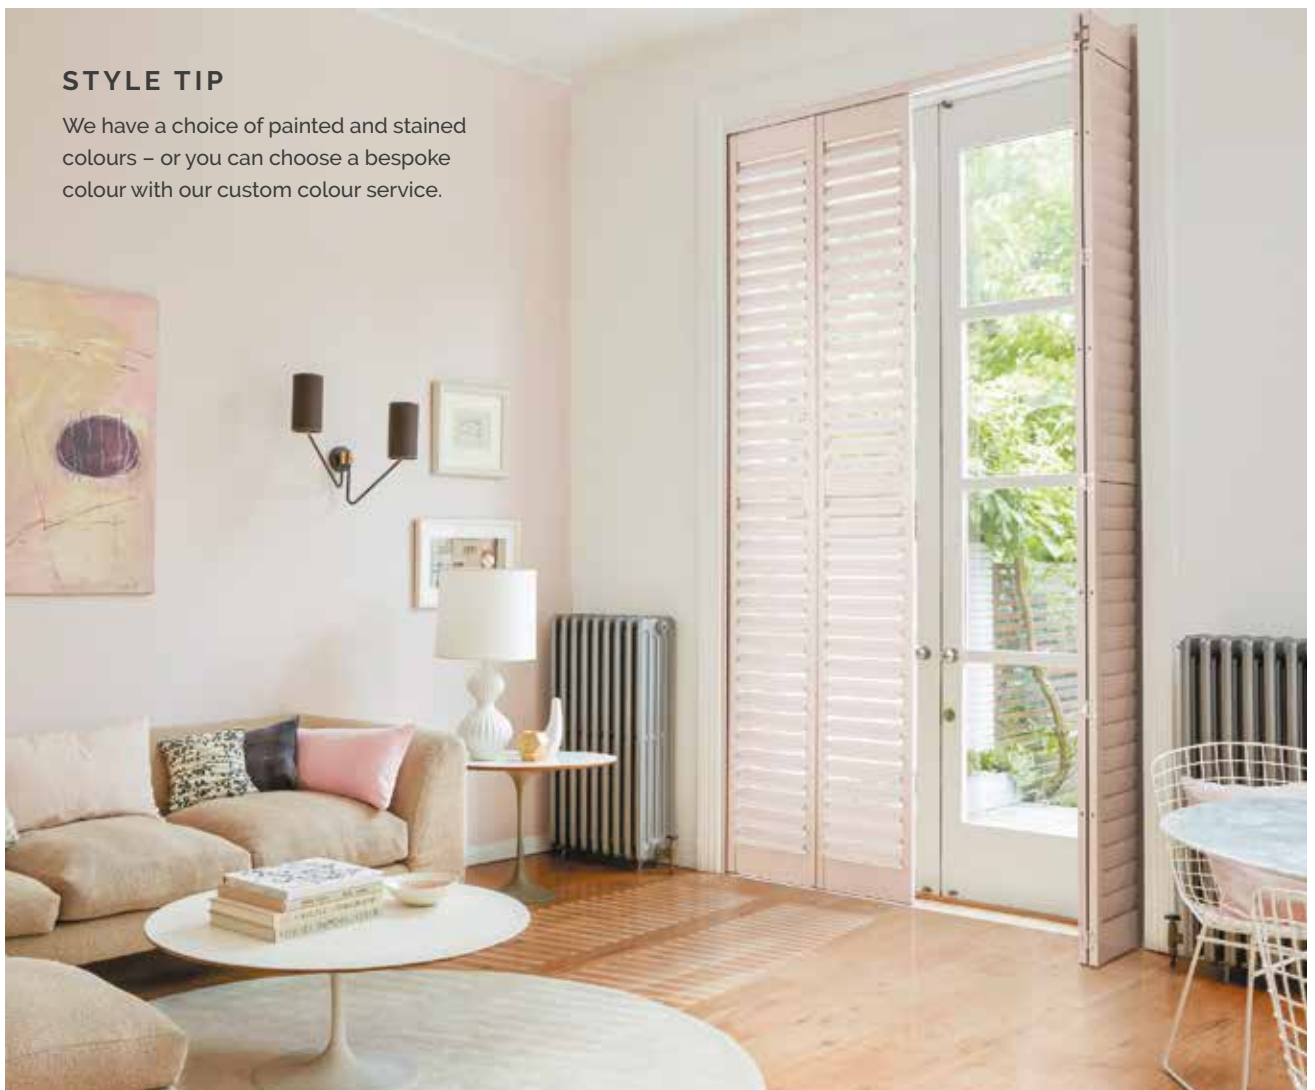

SHUTTERS

Shutters really do give that wow-factor to any window – whether you're looking for a traditional or contemporary style, Shutters are guaranteed to complement your windows and create a feature piece that will enhance your living space. Long-lasting, wipe-clean and in an array of styles to choose from, Shutters also help reduce noise and insulate the home. They can be designed to work with period or modern windows, patio and bi-fold doors and awkward shapes.

STYLE TIP

We have a choice of painted and stained colours – or you can choose a bespoke colour with our custom colour service.

DUAL SHADE

MOTORISED
OPTION
AVAILABLE

Practical and stylish, this dynamic Roller blind enables light control whilst maintaining an outside view. With its unique design, Dual Shade blinds are made up of two layers of opaque and sheer fabric which glide past each other, bringing varying degrees of sunlight into your home. Close the blind for full privacy or have them open to allow the light to filter into your home.

PLEATED

You'll be spoilt for choice when it comes to our range of Pleated blinds. Designed to help you get the most out of your rooms, our range includes temperature controlling blinds, transition blinds and solutions to give you complete control over light and privacy. Pleated blinds are also available in a PerfectFit® frame, ideal for uPVC windows and doors.

STYLE TIP

Pleated blinds are brilliant to get the most out of conservatories – with options for roof and side blinds, they help keep rooms cool in the summer and warm in the winter.

Flame-retardant

Selected products in the range can help slow down or resist the spread of fire.

Splash proof

Selected products are available that are tolerant of water but not necessarily waterproof.

Moisture-resistant

Selected products in the range will tolerate a moist and humid environment.

Perfect Fit® frame

This product does not require screws or drilling.

Skylight

This product can be specifically designed to fit a skylight.

Dim-out

This product helps reduce the impact of light.

Blackout lining

This product has the option of an extra layer of fabric to help block out light, or a blackout fabric is available in the range.

Light-reflective

There is an option of a light-reflective fabric available in the range.

Remote & motorised

Motorised options exist with the remote control operation.

CHILD SAFETY

As a minimum, all of our blinds and Curtains meet the European Standard BS EN 13120 for safety. Beyond this, safety is at the forefront of our minds right through the design process ensuring that we make products that are not only stylish and high quality, but also safe.
